2. The Association has no control over conditions related to a pandemic emergency, has no basis of knowledge as to whether any individual would be more likely than not to come into contact with the pandemic disease under any circumstances, and has no obligation, opportunity or ability to remediate conditions or warn any individual of a condition before the individual comes into contact with a condition related to pandemic disease.
3. The Association has no liability or responsibility to comply with any government-promulgated standards, guidance or protocols intended to lower the likelihood of exposure to the disease during a pandemic emergency, and each Resident, Owner, members of their households, and their respective guests or invitees have a reasonable opportunity and ability to implement or comply with any and all government-promulgated standards, guidance or protocols intended to lower the likelihood of exposure to the disease during a pandemic emergency with respect to such Resident's, Owner's, household member's, guest's or invitee's use of any Common Areas and/or Areas of Common Responsibility.
4. All Common Areas and Areas of Common Responsibility owned or maintained

by the Association are entered into and/or used by a Resident, an Owner, members of their households, and their respective guests or invitees at their own risk. The Association disclaims any and all liability or responsibility for injury or death related to the pandemic disease or otherwise occurring from entry or use of the Common Areas and/or Areas of Common Responsibility.
